

ISAYANA MURILLO CALDERÓN

Software Engineer | Salesforce

isamurcal@gmail.com | [linkedin.com/in/isayana-murillo-57a620154](https://www.linkedin.com/in/isayana-murillo-57a620154) | isayanamc.github.io/Portafolio-Profesional

PROFESSIONAL PROFILE

Software engineer in training with a solid background in operations management, technical support, and human resources at multinational companies. Currently focused on the Salesforce ecosystem, with an emphasis on platform administration and development. Combines business acumen with technical development skills, bringing a well-rounded perspective to software projects.

PROFESSIONAL EXPERIENCE

Technical Support Specialist

DXC Technology (Microsoft Vendor) | 2022 – 2023

- Provided daily technical support to enterprise clients for Microsoft products and services, handling tickets, calls, and emails in English.
- Diagnosed and resolved complex technical incidents in corporate environments, reducing resolution times through standardized documentation.
- Collaborated with multicultural teams in a hybrid setting, maintaining high customer satisfaction rates.

Human Resources Manager

Amazon | 2021

- Processed and managed leave and absence requests (including COVID-19 protocols), ensuring compliance with local and international regulations.
- Analyzed workforce data and generated reports to support management decision-making.
- Maintained cross-cultural communication with remote teams in English.

EDUCATION

Bachelor's Degree in Software Engineering (in progress)

Universidad CENFOTEC | 2023 – Present

Bachelor's Degree in International Trade and Business

Universidad Nacional (UNA) – Liberia Campus | 2018 – 2022

CERTIFICATIONS AND ACHIEVEMENTS

- Salesforce Administrator (in preparation, 2026)
- Strategic Management – KUMIAY International, Japan (2020)
- Costa Rica Representative – INESPO International Science Fair, Netherlands (2017)
